

# Artur Kosma

Principal Animation Engineer with 9 years of experience creating AAA gameplay animation systems.

## EXPERIENCE

---

**Principal Animation Engineer** · The Farm 51 2025 – Present

Rescue Drone Simulator

- Own animation systems for the rescue drone simulator after returning to a pure engineering focus.

**Lead Combat Engineer** · The Farm 51 2021 – 2025

Chernobylite 2: Exclusion Zone

- Led a multidisciplinary team of 10+, splitting time roughly evenly between leadership and hands-on combat / animation engineering.

**Lead Animator & Programmer** · The Farm 51 2019 – 2021

Chernobylite 1

- First lead role: planned mocap, managed animators, and shipped movement and animation systems while still writing the code.

**Regular Programmer** · The Farm 51 2018 – 2019

Chernobylite 1

- Grew into owning character movement and animation systems end to end while shipping production features without a lead title.

**Junior Programmer** · The Farm 51 2017 – 2018

Chernobylite 1

- Started while studying; owned the character animation and rigging pipeline and authored movement / AI-related code.

## SKILLS

---

### Stack

C++, Unreal Engine, linear algebra

### Tools

Visual Studio, ReSharper, Unreal Insights, Animation Blueprints, Control Rig, Behavior Trees, State Trees, Sequencer, Maya, MotionBuilder, Perforce

### Focus

Animation systems, CPU optimization, team leadership, procedural animation, 3C & gameplay programming, combat design, animator pipelines, motion capture direction

## LOCATION

---

Silesia, Poland

## EDUCATION

---

### University of Silesia

Engineer, Computer Science

Specialization: Game Programmer

## LANGUAGES

---

Polish, English

## INTERESTS

---

Martial arts (Polish National Amateur Muay Thai champion), thrash metal, MMORPGs, Star Wars, Dungeons & Dragons, Chernobyl Exclusion Zone
