

Artur Kosma

Principal Animation Engineer with 9 years of experience creating AAA gameplay animation systems.

EXPERIENCE

- Principal Animation Engineer** · The Farm 51 2025 – Present
Rescue Drone Simulator
- Own animation systems for the rescue drone simulator after returning to a pure engineering focus.
- Lead Combat Engineer** · The Farm 51 2021 – 2025
Chernobylite 2: Exclusion Zone
- Led a multidisciplinary team of 10+, splitting time roughly evenly between leadership and hands-on combat / animation engineering.
- Lead Animator & Programmer** · The Farm 51 2019 – 2021
Chernobylite 1
- First lead role: planned mocap, managed animators, and shipped movement and animation systems while still writing the code.
- Regular Programmer** · The Farm 51 2018 – 2019
Chernobylite 1
- Grew into owning character movement and animation systems end to end while shipping production features without a lead title.
- Junior Programmer** · The Farm 51 2017 – 2018
Chernobylite 1
- Started while studying; owned the character animation and rigging pipeline and authored movement / AI-related code.

SKILLS

Stack

C++, Unreal Engine, linear algebra, Python

Tools

Visual Studio, ReSharper, Unreal Insights, Animation Blueprints, Control Rig, Behavior Trees, State Trees, Sequencer, IK Retargeter, Maya, MotionBuilder, Perforce, Jira

Focus

Animation systems, CPU optimization, team leadership, procedural animation, 3C & gameplay programming, combat design, animator pipelines, motion capture director

LOCATION

Silesia, Poland

EDUCATION

University of Silesia 2014 – 2017
Engineer, Computer Science
Specialization: Game Programmer

LANGUAGES

Polish, English

INTERESTS

Martial arts (Polish National Amateur Muay Thai champion), thrash metal, MMORPGs, Star Wars, Dungeons & Dragons, Chornobyl Exclusion Zone
